## President's Address for 2022

As a member of Moordown Bowling Club it is a privilege to be able to serve as president albeit at a time when we face several challenges. Getting back to normal may not be straightforward but if the experience of the past two seasons has taught us anything, it is that we are resilient and have the commitment to succeed.

After two seasons which can hardly be described as 'normal' we look forward to 2022 when a full programme of league matches, friendlies and social activities hopefully can resume.

I think it is also worth remembering that our success (or otherwise) on the green is of secondary importance to the fellowship we experience with each other as members of 'The Moordown Family'. It is this fellowship which sets us apart and something which we cherish.

We are also fortunate to have many members who give dedicated service in the various areas of club life and without whose commitment the club could not function.

In summary, to our existing members – Enjoy all that the club has to offer and experience as many activities and events as you can.

To those who may be considering joining the club we can offer really satisfying sporting contests for all levels of ability. In addition, you will be joining a friendly, supportive membership keen to assist in any possible way.

So, I wish you all a satisfying and fulfilling season.

Mike Turner  
President.
